## Take Scanning Beyond Simple Barcode Capture

### Tackle More Tasks with Ground-Breaking Versatility

- Empower workers to easily key in quantity or location data, reducing repetitive tasks
- Streamline picking, inventory and more with pre-built applications
- Color display and backlit keypad provide easy viewing in any lighting condition

### Most Indestructible Design in its Class

- Endures multiple 10 ft./3 m drops to concrete and 7,500 tumbles
- Enhanced IP65/IP68 rating makes it 100% dustproof, fully submersible and able to handle the force of jetting water
- Withstands extreme heat, cold and humidity

### Go Far Past Your Previous Limits

- Scan as far as 7 ft./1.2 m away and capture virtually any barcode with a trigger pull
- Easily scan dirty, damaged, poorly printed and shrink-wrapped barcodes
- Gain abilities from DataCapture DNA and quick configuration with AutoConfig

**Use it for:**

- Picking
- Point of Sale
- Inventory Management
- Work in Process

**To increase:**

- Productivity
- Accuracy
- Efficiency
- Flexibility

Take on tomorrow with the newest addition to the 3600 Series Ultra-Rugged Scanner family—the most indestructible in its class. Increase visibility and boost productivity with a new keypad and display to capture data faster and smarter.
