

2025 PROFIT PLUS

HONEYWELL REGIONAL PROGRAM

HOW IT WORKS

- Distributors and Resellers should quote promotion code **PLUS25_Q1** to access the promotional price.
- This program is exclusive to all Resellers authorized to sell Honeywell products in Europe.
- Profit Plus will run until **December 31st 2025** and is subject to review on a quarterly basis.
- Below pricing is available on purchases of the qualifying products, that are shipped and invoiced between **January 1st and March 31st 2025**. Standard lead times apply.
- The decisions of Honeywell in respect to any and all aspects of the program will be final and binding. Honeywell has the right to change, modify, or cancel the promotion at any time.
- This promotional price is a pass-through discount and should be deducted from the usual Reseller Buy Price, which is entirely the decision of the Distributor.
- This pricing **cannot** be used in conjunction with Price Exception, Project Registration, Demo Discounts or any Performance Partner Program tier-based pricing.
