Upgrade now
Save big
Sustain the future

MAKING THE BEST UPGRADE HAS NEVER BEEN EASIER

Looking to upgrade your current mobile computer? Now is the perfect time with Honeywell. Receive exclusive discounting and benefits when you upgrade to the CK62 mobile computer.

The CK62 is a lightweight, rugged mobile computer designed for warehouse and distribution center environments. With reliable data entry through carefully designed keypads and 5G and Wi-Fi 6E capabilities, the CK62 ensures high-speed connectivity, promoting productivity across multiple workflows.

And right now, you can unlock excellent discount pricing for the CK62 through Honeywell's upgrade program. This program will be available from February 17, 2025, to June 30, 2025.

Depending on the quantity of devices you order, you may be eligible to receive special pricing. **If you order**

three CK62 units, Honeywell will replace one accessory listed in the table below free of charge.*

Additionally, Honeywell is offering a buyback offer with this program. If you trade in your old device, **you are eligible for a 50€ discount on every new CK62 mobile computer you purchase.**** And, by participating in the buyback, you are helping reduce electronic waste and supporting a greener future.

Don't miss out on this excellent opportunity to improve your productivity and efficiency. Talk to a Honeywell Representative today while supplies last.

**UPGRADE.
SAVE.
SUSTAIN.**

*One free accessory replaced for every three CK62 units that are ordered.

**Trade-in offer valid for competitive devices. Honeywell devices are not included in the trade-in program. The partner name and serial number (S/N) for each competitive device must be provided.
