Shoulder harness (4-point; handsfree)  
Hard handle  
Keyboard dock  
Office dock  
Vehicle Dock

## Bumper-to-Bumper warranty

Accidents can take your equipment out of service when you least expect it, especially in a rugged environment, which can cause costly equipment downtime.

That is why Getac has introduced accidental damage as standard under our Bumper-to-Bumper warranty, to help minimize your enterprise IT costs.

Bumper-to-Bumper is your hassle-free guarantee.

That means you can depend on us to have your unit back in service within days.

### Standard

3 years Bumper-to-Bumper

- I. 13.56MHz HF RFID/NFC combo reader (ISO 15693, 14443 A/B, Mifare and FeliCa™ compliant).
- II. Bluetooth performance and connectable distance may be subject to interference with the environments and performance on client devices, users may be able to reduce effects of interference by minimizing the number of active Bluetooth wireless devices that is operating in the area.
- III. Weight and dimensions vary from configurations and optional accessories; optional high-capacity batteries add approx. 7.65mm (H), 144g.
- IV. Tested by an independent third-party test lab following MIL-STD-810H.
